

Sports Premium Analysis for Rudheath Primary Academy

Academy name	Rudheath Primary Academy
Academy principal	Andrew Ross
Date uploaded	2 nd September 2015
Covers date period	September 2015 – September 2016

In the academic year 2015-2016 the academy received £9050 Sports Premium Funding. We used this funding to:

- Securing our continuing partnership with the Vale Royal School Sports Partnership. **This enabled us to train staff in Dance, PE, Gym and Outdoor activities as well as having access to a variety of training and events.**
- Providing additional sports clubs during and after school. These clubs will be run by external bodies and allow additional extra-curricular activities to occur for all children in school (KS1 and KS2). **A significant number of after school clubs have run over the year. The number of clubs available has enabled all children in school (from Reception -> Y6) to take part in at least two clubs over the year. This will be further developed next year.**
- Improving the provision of equipment available at school for sport. **New equipment has been purchased over the year to enable all areas of gymnastics to be taught.**
- Involving the academy in more Cheshire and Vale Royal Tournaments. **It also allowed us to take part in a number of inter-school competitions – mainly based at UCAN. When successful it also allowed us to move through to Cheshire finals.**
- Providing training for teachers to ensure the highest quality lessons. **Gymnastic training has taken place for all staff over the last two years funded by the Sports premium.**
