

## **Sports Premium**

During the academic year 2013-2014 we received £9085 in Sports Premium Funding. We allocated this to be spent on:

1. Increase the range of sports available to our children
2. Increase the confidence, knowledge and skills of staff when teaching P.E.
3. Increase the opportunities for inter- school competitive sport
4. Increase opportunities for gymnastics within the school
5. Increase the number of children accessing before/after school sports

The majority of the above have been achieved through membership of the Vale Royal School Sport Partnership.

Our children have taken part in the following sports:

- Sportshall Athletics at UCAN
- Multiskills at UCAN
- Dodgeball , Self-defence, Cheerleading and Tri-Golf at UCAN
- 4 members of staff have been mentored by a PE specialist
- A before-school tennis club is scheduled for the Summer term
- A climbing frame is to be installed in the school hall during the Summer holiday.
