FORPA: At the end of the year a significant number of Friends of Rudheath Primary Academy (FORPA) will be leaving their role as their children move to high school. This means that we will have no additional fund-raising or events taking place for the children. FORPA have a valuable place within our school and organise discos, the Summer and Christmas Fair and the various other events. The fundraising also supports the cost of transport for trips. If you are able to help next year, please pop in to speak to the office to leave your phone number so someone can contact you.
